

## IF TRAVELING FROM CHATTANOOGA

Exit I-24 at exit 110 (Highway 53) and go towards Woodbury on Highway 53.

Drive for 14.5 miles and you will come to Woodland School on your right. This is just a mile post for you. Drive for another 2.4 miles and you will see Martin's Building Co. on your right. He builds small buildings and barns. As you pass Martin's get into the left turn lane and turn left at the first road on your left after you have passed Martin's.

Go one block and you will come to an old store on your right at a stop sign. Cross the road (you will make a slight dog leg to the left to cross the road) and drive for approximately 4 1/2 miles until you come to a bridge.

When you have crossed the bridge you will immediately come to a fork in the road. Take the right fork and drive for 2/10 of a mile and our farm is on the right.
